

February 15, 2007

To The Members of Residents Voice,

In order to open a more direct line of communication between the Residents of Laguna Woods Village and the Mutual Directors, the Residents attending the February 1, 2007 meeting of Residents Voice voted to open our future meetings to all Directors beginning with the March 1, 2007 meeting. The Team Leaders are requesting that the Residents abide by the following rules:

- 1. Meetings will begin promptly at 6:30 PM and end no later than 8:00 PM.**
- 2. There will be no dialogue between Residents and Directors during the Residents Voice meeting. Time will be available after the close of the meeting to give Directors and Residents an opportunity to communicate with one another.**
- 3. During the general meeting, questions from the Residents will be limited to the topic of discussion only. In order for everyone to hear the question clearly, the Resident must come to the front microphone to ask his/her question. Questions will be limited to one per person in order to give ample time to everyone who has concerns.**
- 4. In order to maintain an orderly meeting, the Chairman of the Team Leaders may end any discussion at any time.**
- 5. We expect courtesy and respect between the Residents and Directors at all times.**

Please remember that Residents Voice is for informational purposes only. The Team Leaders cannot make things happen. It is the responsibility of each Resident to take the information gathered at the meetings and have a direct dialogue with their Mutual Directors. The power is in the hands of each individual Resident.

The Team Leaders are happy to open our meetings to everyone and hope that together we will all be able to work for the good of the community.

Your Residents Voice Team Leaders,
